A candidate's response will tell you a lot about how he or she interacts with clients and deals with conflict. You can consider the answer to see if candidates are willing to try unusual solutions or change their plan instead of trying to force every person to fit into the caseworker's pre-decided plan.

5 Caseworker Interview Questions and Answers

Social Casework in Layman's Language: It is sometimes difficult to explain the nature of social casework, i.e., how does it help the client (the one seeking help) to layman. In this section an attempt is made to describe social casework process in non-technical terms. We all know that man continues to grow and tries to shape himself as he wishes.
