A Practical Approach to the Successful Practice of 5S. By Pradeep Kumar Mahalik. 19 comments. While some Lean Six Sigma (LSS) practitioners consider 5S a tool, it is more than that. 5S, abbreviated from the Japanese words seiri, seito, seiso, seiketsu, shitsuke, is not just a methodology, it is a culture that has to be built in to any organization which aims for spontaneous and continuous improvement of working environment and working conditions.
