Angelfall

Angelfall isn't the best book about angels that I've read, but it has restored my faith (har har) in the genre. The first half of the book probably garners a 4-4.5 stars, the second half a 2, so my rating is an average. In some ways, it's frustrating, because I enjoyed the first part of the book so much, the ending, as action-packed as it was ...

The entire argument against Angelfall will be from a position of silence, i.e. the most damaging criticism that any critic can offer is that in their opinion "Angelfall is a maverick approach to the Bible and mere speculation." In other words, there exists no ammunition to debunk the entire foundational premise, i.e. no fatal flaw.
