James Baldwin's "Another Country" is a brilliant, unflinching, remarkable novel. It is often said "That one should not judge others, until you have walked in their shoes." Never has such a statement been so vividly brought to life than in this book. Mr. Baldwin makes the reader feel exactly what it is like to be an outsider...

Love Baldwin's writing style because he opens your mind to different perspectives. Another Country seeks to bring understanding to those who are often most misunderstood. Gay men, black women and adulterous wives, those societies tend to hate the most, the people who are often only understood by one another.

James Baldwin went into exile to complete *Another Country*, and the theme of exile and alienation asphyxiates each page. In several passages, people refer to others as “foreign countries”. Vivaldo thinks of Ida as “another country”, stupefied at his inability to understand her pain and at a loss when she lashes out at him.
