Beyond Colonialism Development And Globalisation

Beyond Colonialism, Development and Globalization therefore represents a radical break with the prevailing narrative of modernization, and points to a bold new direction for development studies.

Beyond Colonialism, Development and Globalization

Development studies are currently in a state of flux. Long-accepted wisdom is being dismissed by new generations of scholars who increasingly set development and globalization on the same continuum as colonialism, premised as they are on a shared reductionist assumption that progress and growth are objective facts to be measured, assessed, and controlled.

Beyond Colonialism, Development and Globalization ...

By assessing development theories from the perspective of subaltern groups and movements, the contributors posit a new notion of development 'from below', one in which these movements provide new ways of imagining social transformation, and a way out of the 'developmental dead end' that has so far characterized post-development approaches. Beyond Colonialism, Development and Globalization therefore represents a radical break with the prevailing narrative of modernization, and points ...

Beyond Colonialism, Development and Globalization eBook by ...

One difference between European colonialism and globalization today is that globally active multinational corporations do not wish to own the country or run the government directly. Corporations are not concerned with what government type is in power or who is running the country as long as they can operate and make a profit.

Globalization and Development - GitHub Pages

Consequently, although there are important reasons for moving beyond an international development understanding towards a paradigm of global development as scope in relation to the whole world, for which a relational approach offers substantial potential, critical attention is needed regarding how global development is operationalized, in both ...
