Bodies Of Truth Law Memory

Bodies of Truth offers an intimate account of how apartheid victims deal with the long-term effects of violence, focusing on the intertwined themes of embodiment, injury, victimhood, and memory. In 2002, victims of apartheid-era violence filed suit against multinational corporations, accusing them of aiding and abetting the security forces of the apartheid regime.

The term dharmakaya, or dharma-body, can be found in early scriptures, including the Pali Sutta-pitaka and the Agamas of the Chinese Canon. However, it originally meant something like "the body of teachings of the Buddha." The term dharmakaya also sometimes was used to express the idea that a buddha's body is the embodiment of the dharma.

The Dharmakaya, or Truth Body of the Buddha

Nondeclarative memory, also called implicit memory, unconsciously builds up. These include procedural memories, which your body uses to remember the skills you've learned.

The human memory—facts and information - Science

"Truth" Drugs in Interrogation, George Bimmerle. The search for effective aids to interrogation is probably as old as man's need to obtain information from an uncooperative source and as persistent as his impatience to shortcut any tortuous path. In the annals of police investigation, physical coercion has at times been substituted for painstaking and time-consuming inquiry in the belief that ...

LAW III: To every action there is always opposed an equal reaction. I do not know what gravity is. But it seems to be the case that every body in the universe attracts every other body with a force called gravity, which is proportional to the masses of the bodies, and diminishes by the square of the distance between them. No doubt God causes ...
