Amazon.com: Chinese Herbal Formulas and Applications ...

Chinese herbal formulas, some in use for more than 2,200 years, are composed of ingredients chosen to function in combination with each other. In Western medicine, medications are usually prescribed individually for a specific effect. In classical TCM herbal formulas, each herb has a different purpose or role to help the body achieve harmony.

Traditional Chinese medicine - Herbal therapy | Britannica

Chinese herbs are selected and combined in to formulas based on principles that are based on Chinese medical theory. The majority of Chinese herb formulas include four herbs or more. In Chinese medicine, there are only a few herbs are used by themselves alone because formulas can be designed for optimal effectiveness without side effects.
