Designing Your Life - Stanford University

Describe your ideal life in detail. Allow yourself to dream and imagine, and create a vivid picture. If you can't visualize a picture, focus on how your best life would feel. If you find it difficult to envision your life 20 or 30 years from now, start with five years—even a few years into the future will give you a place to start.

The Best Way to Create a Vision for the Life You Want

To create a life plan, you need to decide what your priorities are at this moment in time. To do this, consider the roles that you want to continue playing, or those you want to add to your life in the future.
