Math Newsletters / 2012-2013

One of the things we try to do each year is to create a math newsletter to share with parents, students and administration. The main reason is to help develop better communication with parents. The development of our newsletter is an ever evolving process, but we feel like we have hit on some key things that make our newsletter very effective.

Sample Teacher / Newsletters

As the parent of three elementary students, I get a lot of classroom newsletters. And every time I get one, I fully intend to read it. I know how important it is to keep track of school activities, to know what my kids are learning, and to support their teachers.

Why No One Reads Your Classroom Newsletter

Elementary Math Baseline: If you are interested in giving a math baseline, the recommendation is to utilize the Beginning of the Year test found on Thinkcentral. Upcoming Events: BLAST Back-to-School Teacher Event at the Tallahassee Museum (August 22nd 5:00-7:00) A night of food, fun, and fellowship with fellow educators and local organizations!
