Amy King: Homelessness is a feminist issue - Scottish ...

homelessness and housing exclusion through a feminist lens. Their analysis sought to explain how “patriarchal social relations, the sexual division of labour and the dominant family model in a capitalist society all serve to marginalise women in the housing sphere” (Watson and Austerberry, 1986, p.7). Women, they argued, lack

'It's a feminist issue': New plans to solve gender ...

The benefit cap has a detrimental impact on large families' incomes, and specifically on housing, as housing benefit is the first element to be cut once the threshold is reached. These benefit cuts and changes, accompanied by a severe shortage of social and affordable housing, are leading to increasing numbers of evictions and homelessness.

A home of her own, housing and women - Womens Budget Group

The feminist perspective in the media is a view on homelessness as something that may be brought about by oppression from patriarchy, capitalism or imperialism and that women as a group need to set forth to create infrastructures to assist women in need from not just homelessness but also for rape and battered women.

Homelessness Postmodernist and Feminist Perspective ...

Much literature explaining women 's homelessness in the United Kingdom, have argued from a feminist perspective which highlighted that the market dominated housing policies disadvantage female-led households based on a gendered division of labour, (Watson and Austerberry, 1986) .

A Feminist Perspective On Women 's Homelessness - 1956 ...

For many women, home is a provisional place. This has long been true. Violence, dispossession and poverty are not new. What is recent is the increase in the number of women over the age of 55 experiencing housing stress, insecurity and homelessness. On the 2016 Census night, for instance, there were an estimated 6,866 homeless older women in ...

Access Free Housing And Homelessness A Feminist Perspective

There is a manifest need for an intersectional feminist analysis of housing and homelessness, which can be applied to create policy and interventions that address women's specific needs, and strategic, gendered responses to homelessness. In order to do so, Scottish Government work on housing and homelessness must be well

A WOMAN'S PLACE: GENDER, HOUSING AND HOMELESSNESS IN SCOTLAND

While homelessness is increasingly seen as differentiated by gender, dominant narratives only rarely incorporate the experiences of women. Using a feminist poststructuralist framework, this paper examines homeless women's trajectories through and out of homelessness based on data from a qualitative longitudinal study of women's homelessness in Ireland.
