OB Kaplan Review 90 terms by mroger20 A client comes to the prenatal clinic for her first visit. The nursing history reveals that the client's last menstrual period was five months ago, and the client is sure she is pregnant because she has been feeling the baby move. Which of the following responses by the nurse is BEST? 1. "Since you have felt fetal movement, I am sure that you are pregnant."

I haven't taken the Maternity and Peds exam yet but I'm going to be taking it at the end of the semester. Honestly, your biggest help is going to be the practice tests and the remediation. I always read the pertinent info from Kaplan Basics and make an outline, then take the practice tests and do the remediation for every question (not just the ...
