KAUFMAN FIELD GUIDES - Home. The latest from Kenn Kaufman, published April 2019. A Season on the Wind: Inside the World of Spring Migration. Every spring, billions of birds sweep northward, driven by ancient instincts to return to their breeding grounds. This vast parade often goes unnoticed, except in a few places where these small travelers gather in large numbers.

KAUFMAN FIELD GUIDES - Home

Since its first publication in October 2000, the Kaufman Guide has been widely hailed as the best field guide to recommend to new birders. Everything about its compact size, straightforward layout, cl

Kaufman Field Guide to Birds of North America by Kenn Kaufman

Kenn Kaufman is one of the most famous birders in North America so it is no surprise that his field guide is immensely popular. But the Kaufman Field Guide to Birds of North America is more than just a famous birder's take on how to identify birds. It is perhaps the easiest, most useful field guide currently available. We love our Kaufman Guides!!

Kaufman Field Guide to Birds of North America

The all-new Kaufman Field Guide to Advanced Birding takes a different approach, clarifying the basics and. Birders can memorize hundreds of details and still not be able to identify birds if they don't really understand what's in front of them.Today birders have access to almost too much information, and their attempts to identify birds can be drowned out by excess detail.

Kaufman Field Guide to Advanced Birding: Understanding ...

Kaufman himself mentions that he leaves out things such as variants which experienced birders want because he was aiming at the less experienced birder. That leaves guides such as Peterson's, Stokes Guide To Birds, the Golden Guide and the American Bird Conservancy All The Birds Of North America as comparisons.

Birds of North America by Kenn Kaufman - Goodreads

A good sized field guide for both beginners and advanced birders, this guide features more than 1,000 species of birds. Beautifully illustrated, with more than 1,000 species of birds. Easy to use, and a good size for the field. Matches the latest American Ornithological Society taxonomy.
