Think of your budget as a flight plan for your company. A properly completed budget will go a long way towards ensuring a smooth landing. But if it's plagued by errors, miscalculations or a lack of foresight, that budget could result in your organization going off-course or worse, crashing and burning.

### **What Happens When Your Budgeting Goes Wrong?**

You can avoid going over budget by keeping an ongoing list of your spending in whatever category you find budget-busting. That way, you can check in at any time to see where you're at. You're not saying "no" to yourself. If you are constantly spending more than you have
