Omega Math and Westcott Courses hasn't lost any affiliation with any colleges. The Courses are designed to meet or exceed WASC requirements. You receive 5 months, and an extra 30 day extension if required. Omega Math is one of the few places where you can take a college level course, receive transferable credits, and it cost under \$1,000 USD.

12 Westcott Courses Reviews and Complaints @ Pissed Consumer

Related: Omega Math / Westcott courses are trash. If I found errors in their program, they were quickly corrected by the IT staff and I always received a followup, personal call back from Nancy. I took the the final proctored College Algebra exam at a local community college, and I found that Omega Math completely prepared me for the exam.
