Rugaas is a noted expert on canine body language, notably “calming signals,” which are signals dogs use to avoid conflict, invite play, and communicate a wide range of information to other dogs and people. These are the dogs’ attempt to defuse situations that otherwise might result in fights or aggression.

## With Dogs **Signals - Turid Rugaas ...**

When one dog yawns and turn his head to the side, the dog he is 'talking to' may lick his nose and turn his back - or do something completely different.

The signals are international and universal. All dogs all over the worlds has the same language.
