The kit includes many punch-out furniture pieces as well as several pages of graph paper. We measured each room of the new apartment and found punch-outs in the kit to serve as different pieces of furniture. If there wasn't a punch-out for a certain piece of furniture we had, we used another piece in the kit and relabeled it.

In a large, open room, use furniture arrangement to divide the space into different activity zones. Here a table and chairs gather on one side of the room, providing a spot for informal meals or games. In the center of the room, a sofa, chairs, and ottoman form a conversational cluster anchored by a rug.
