Staging Power in Tudor and Stuart English History Plays examines the changing ideological conceptions of sovereignty and their on-stage representations in the public theaters during the Elizabethan and early Stuart periods (1580-1642). The study examines the way in which the early modern stage presented a critical dialogue concerning the nature of sovereignty through the lens of specifically English history, focusing in particular on the presentation and representation of monarchy.

P. opular in the early 20th century, Tudor-style homes still have plenty of appeal to homeowners, offering old-world details, solid construction, plus charm and character to spare.. And they can also be quite livable, albeit with some strategic updating. Amy Carman and her team at Amy Carman Design, a Wauwatosa design firm, were enlisted to help bring an East Side Tudor into the 21st century.

Tudor Teodorescu's Book Recommendations (Updated for 2020)

Christopher Maginn, Ph.D., professor of history, draws parallels between the Tudor experience in 16th-century Ireland and America's recent involvement in Iraq and Afghanistan. The Tudors were a major European power that aimed to extend their political and social control into Ireland, which was at the time a decentralized and culturally alien region. The exhaustive TudorRead More
