The Doctor In Mccalls Magazine

McCall's was a monthly American women's magazine, published by the McCall Corporation, that enjoyed great popularity through much of the 20th century, peaking at a readership of 8.4 million in the early 1960s. It was established as a small-format magazine called The Queen in 1873. In 1897 it was renamed McCall's Magazine—The Queen of Fashion (later shortened to McCall's) and subsequently ...

As both a board-certified medical doctor and yoga therapist, Timothy McCall, MD. has a unique perspective on these topics. His recent memoir, *Saving My Neck: A Doctor's East/West Journey Through Cancer*, probes these subjects from a theoretical viewpoint as well as a personal one. He describes in great detail his own experience of cancer, its treatment, and the aftermath of treatment.
