The Four Day Win End
Great writer. This book is about the mental aspects of losing weight. Full disclosure: I did very few of the four-day win exercises in the book. I usually don't like books with chapters that end with homework assignments. So I blew through them. Still worthwhile. Was on the 3/4 star bubble... went 4 because she's just that good of a writer.

A four-day week, or a compressed work schedule, is an arrangement where a workplace or school has its employees or students work or attend school over the course of four days per week rather than the more customary five. This arrangement can be a part of flexible working hours, and is sometimes used to cut costs, as seen in the example of the so-called "4/10 work week," where employees work a ...
