We're All Infected: Essays on AMC's The Walking Dead and The Fate of the Human

We're All Infected: Essays on AMC's The Walking Dead and ...

Although not a big fan of the show, I found the essays in We're All Infected: Essays on AMC's The Walking Dead and the Fate of the Human" intriguing, especially since I am always interested when academia discusses popular culture. Indeed, this collection is academic in tone, and some of the subjects are more interesting (and believable) than others.
