Wild Company The Untold Story

Wild Company is the tale of how two people left their unsatisfying jobs, created something they really weren't willing or able to nourish, and ultimately lost control of their creation. Their creation lives on, subsumed in a corporation that neither cares about or wants to remember what made the creation great, just one bland face of three.

Wild Company: The Untold Story of Banana Republic: Ziegler ...

Wild Company...tells how the two former journalists with no business experience parlayed a homespun idea for safari-inspired clothing into a multibillion-dollar business. Even though the reader knows that the venture will ultimately succeed, the Zieglers' account of the early days is still absorbing because it is so hard to imagine how they will climb out of some major financial and conceptual holes.

Wild Company: The Untold Story of Banana Republic by Mel ...

Wild Company is at its core a story of the American Dream in the 20th century. Additionally, Mel and Pat's take on their company history isn't filled with regret or hatred. This isn't a novel to bash Gap, Inc., rather to show people that if you have a dream it can be accomplished despite any circumstances.
